

Explorer Post 369

**UNIX System Administration through
Engineering Computer Information
& Science.**

**Explorer Post 369 specializes
in: UNIX for Programmers,
UNIX System Administration,
& Web Design through a
program based on six
fundamental experience areas.**

Our Program:

December - March:	Basic UNIX for Programmers
March - April:	HTML Programming & Design
April - May:	Perl Programming
May - July:	Java Programming

Our program is designed for the student that excels in computers and is looking for an avenue to continue their growth in the Computer Information Science field of Engineering. Classes are taught by experienced adult leaders: Senior UNIX System Administrator of Nationwide Insurance (Retired), Co-Author of the O'Reilly and associates, Inc. "[Programming Perl](#), Second Edition" There is a lab fee for each class, to pay for books.

The first course, [Basic UNIX for Programmers](#)' lab fee is \$25.00. This class is the same course taught to the The State of Ohio, Office of the Attorney General, Bureau of Criminal Identification & Investigation.

All of our Advisors are experienced professionals that are dedicated to the Scouting movement and believe that it is imperative that they pay back to the program by lighting the proverbial torch of knowledge in the future leaders of the computer industry.

We are hoping that if you know of any student that would benefit from our program and has a strong desire to broaden their computer horizons that you will give them our name and number.

Membership:

Our coeducational program is open to young men and women between the ages of 14 (and in high school) and 20 years of age. The average age of our members is 16.

Six Experience Areas of our Program:

Career

- Develop a better understanding of America's social, economical, and government systems.
- Gaining some insight and practical experience in careers.

Social

- Instilling stable personal values firmly based on religious concepts.
- Developing skill in dealing with all people and encouraging a sense of family and community responsibility.

Citizenship

- Encouraging a sense of pride to our American Heritage.
- Preparing to give leadership and fulfill our responsibility to American Society and to the people of the world.

Outdoor

- Developing a degree of self reliance based on courage, initiative, and resourcefulness.
- Understanding and appreciating the wise use of resources and the protection of our environment.

Service

- Encouraging the skill and desire to help others.
- Gaining a keen respect for the basic rights of others.

Fitness

- Improving mental and emotional fitness.
- Enhancing physical fitness and an appreciation for sports.

Explorer Post 369's Equipment:

Explorer Post 369 teaches their "Basic UNIX for Programmers" classes on AT&T 3B2 equipment while the intermediate classes are taught on NeXT machines. The Post utilizes Sun equipment as NIS & NFS servers.

Our Web Page is served from a Sun Sparc 20 on an OC3 line.

As our program is geared towards the serious design and implementation of large scale computer networks, no Intel or Mirosoft products are utilized.

The Explorer Code:

As an Explorer:

- I believe that American's Strength lies in her trust in God and in the courage and strength of her people.
- I will, therefore, be faithful in my religious duties and will maintain a personal sense of honor in my own life.
- I will treasure my American Heritage and will do all I can to preserve and enrich it.
- I will recognize the dignity and worth of my fellowman and will use fair play and goodwill in dealing with them.
- I will acquire the Exploring attitude that seeks the truth in all things and adventure on the frontiers of our changing world.

Boy Scouts of America:

Explorer Post 369 is closely associated with Boy Scout of America Troop 369. The Cub Pack, Troop, and Post meet in the same building at the same time. Explorer Post 369 fulfills its "Outdoor" requirements by camping with Troop 369.

Explorer Post 369 wears the Explorer Scouting, Dark Green uniforms.

Community Service:

Post & Troop 369 participates in the "One New Toy" program where by they help distribute toys to over 4,000 needy children. Troop & Post 369 helps Saint Stephens feed over 3,000 families December Groceries. Post & Troop 369 each year maintains an abandon grave yard. Post & Troop 369 volunteers for COSI's Halloween Unmasked...

Donations:

Donations are always sincerely appreciated. We are currently in need of 8 SUN SLC,ELC,IPC, or IPXs.

Class Dates:

First meeting of the 1997/1998 year will be Tuesday November 11th. 7:30p.m. [Please R.S.V.P.]

This meeting is for the Parents and Students to meet the Advisor's and Senior Members.

The Basic UNIX for Programmers begins The following Tuesday, November 18th, 1997 7:30p.m.

Classes are held every Tuesday 7:30p.m. to 9:00p.m.

Elections for Youth Officers will be held in March.

Explorer Post 369:

Explorer Post 369 was chartered on December 31, 1994 to the Reformation Lutheran Church.

Explorer Post 369 specializes in UNIX for Programmers, UNIX System Administration, and Web Design while emphasizing a deep theme of Engineering Computer Information Science.

Membership in Explorer Post 369 is open to young men and women between the ages of 14 [and in high school] and not yet 20. Annual Membership fees are \$15.00.

Explorer Post 369 produces the ExpNews, an international monthly newsletter now in six countries.

Members of Explorer Post 369 can create their own web page currently being served by a Sun Sparc 20 on an OC3 line.

Our Principals:

1. Honor before all else.
2. The difference between a winner and a loser is that the winner tried one more time.
3. K.I.S.M.I.F.

Our Creed:

Exploring:

- Enthusiasm
- Energy
- Excellence.
