

Nomination for the

William T. Hornaday Gold Certificate

This conservation award is granted to non-Scout organizations or individuals by the National Council of the Boy Scouts of America. Nominations are accepted from any recognized conservation or environmental protection organization. The organization should have demonstrated leadership and a commitment to the education of youth on a regional, national, or international level reflecting the natural resource conservation and environmental improvement mission of the William T. Hornaday Awards program.

A letter of nomination should be addressed to the Chief Scout Executive. Letters of endorsement are encouraged. A certificate is awarded to the recipient by the Chief Scout Executive.
